# GetSet

-workbook

The aim of the GetSet – Be Ready to Go Leonardo- project is to develop new pedagogical solutions and an early intervention social skills training programme for adult learners. The training programme is targeted for adult people who are not able to take advantage of existing training and are at risk of not getting vocational education or who are without work.

The themes on GetSet-workbook will be 1. Training and Working and 2. Positive Steps in everyday life. It will be a digital and manual version in internet and it is available 31.10.09. The languages of GetSet-workbook will be Finnish, Estonian, English and German.

# GetSet
